Bangor Hydro-Electric Company

CERTIFICATE OF ELECTRICAL INSPECTION

for

SINGLE FAMILY DWELLING

State law prohibits utility companies from energizing the electricity to a newly constructed single-family dwelling until the Company receives certification by a state or local inspector, master electrician or limited electrician in house wiring, that the wiring complies with the National Electrical Code. Title 32 M.R.S.A. ss 1105 This requirement does not apply to wiring installed by a manufactured housing company prior to delivery to the lot. Title 10 M.R.S.A. ss 9042(3).

Instructions:

PART 1 - Print all information
PART 2 - An electrician or state or local inspector must fill in the information and sign it.
